

## Accessori e raccordi per Zero Point idraulici

### Accessories and connections for hydraulic Zero Point

	Cod	
<p><b>Art. 394</b></p> <p>Centralina a comando <b>pneumatico remoto</b> (tramite Art.402 extra) - Pressione max 450bar            Con mantenimento e ripristino automatico della pressione desiderata            Power unit with <b>remote pneumatic control</b> (through Art.402 extra) - Max pression 450bar            Automatic retention and reset of desired pressure</p> 	4.39.44500	
<p><b>Art. 270A</b></p> <p>Attacco idraulico rapido femmina            Quick hydraulic female Connection</p> 	4.27.0A000	
<p><b>Art. 270B</b></p> <p>Innesto idraulico rapido maschio            Quick hydraulic male coupling</p> 	4.27.0B000	
<p><b>Art. 403</b></p> <p>Tubo idraulico Multispiral 760bar completo di attacco rapido <b>Art.270A</b> (m 1,5)            Hydraulic pipe Multispiral 760bar complete with quick connection <b>Art.270A</b> (m 1,5)            Per ogni metro extra / For each extra meter: € 110</p> 	4.40.30000	
<p><b>Art. 403B</b></p> <p>Tubo idraulico Multispiral 760bar, semplice lunghezza 1,5m            Hydraulic pipe Multispiral 760bar, simple lenght 1,5m            Per ogni metro extra / For each extra meter: € 110</p> 	4.40.3B000	
<p><b>Art. ID01</b></p> <p>Raccordo diritto cilindrico maschio Ø6 - 1/4" Gas            Male stud coupling, bsp parallel and metric Ø6 - 1/4" Gas</p> 	9.ID.01000	
<p><b>Art. ID02</b></p> <p>Tappo 1/4" Gas            Cap 1/4" Gas</p> 	9.ID.02000	
<p><b>Art. ID03</b></p> <p>Raccordo idraulico a "L" maschio cilindrico Ø6 - 1/4" Gas            "L" hydraulic male parallel adaptor Ø6 - 1/4" Gas</p> 	9.ID.03000	
<p><b>Art. ID04</b></p> <p>Raccordo idraulico a "T" centrale maschio cilindrico Ø6 - 1/4" Gas            "T" hydraulic male parallel adaptor Ø6 - 1/4" Gas</p> 	9.ID.04000	
<p><b>Art. ID05</b></p> <p>Riduzione idraulica Ø6 - 1/4" Gas            Hydraulic straight male adaptor Ø6 - 1/4" Gas</p> 	9.ID.05000
